Lesson 22*: Jesus Feeds the Multitudes and Jesus Walks on Water

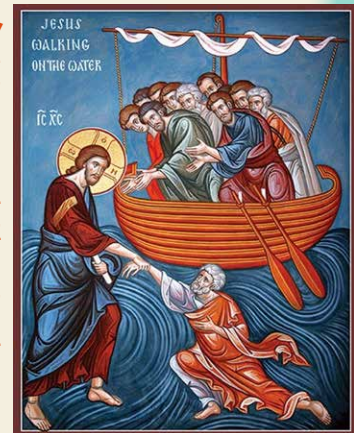

Jesus Feeds the Multitudes

The people had followed Jesus for long distances to hear Him preach. Jesus did not want to send the people away hungry. Jesus told the disciples "You give them something to eat." They only had 5 loaves and 2 fish. He told them to make the people sit down on the green grass and then He took the loaves and fish into His hands. He blessed and broke and gave them to the disciples to distribute to the people and to see that everyone was filled. And when all 5,000 families had eaten and were filled, Jesus told the disciples to take up the leftovers and to their amazement they collected 12 large baskets full! The 12 baskets of fragments means they have enough to go out in the world and feed everyone the Word of God. Anytime you eat, it means fortitude and unity in the Bible.

Jesus Walks on Water

After Jesus made the disciples leave in the boat, He sent the multitudes home. A violent storm had arisen on the lake with great waves. At first, they were fearful and thought there was a ghost but then they realized the man coming toward them, walking calmly across the stormy water, was Jesus. Their fear was taken away when Jesus spoke "Be of good cheer! It is I; do not be afraid." They were amazed. Finally, Peter spoke up "Lord, if it is You, command me to come to You on the water." Jesus said, "Come." But as Peter became distracted by the storm and the wind, which represents the world and enemies and evil, he began to drown. He began to sink and cried out "Lord, save me." Of course, Jesus did not allow him to sink. "Reaching out His hand to Peter, He caught him and said, "O you of little faith, why did you doubt?" As long as we are following Jesus, trusting in God, and paying no attention to anything else, we will be safe. It is only when we take our eyes from Him (the Truth) we fail.
